

# ST PETER'S CHURCH OF ENGLAND PRIMARY SCHOOL PE AND SPORTS FUNDING

In 2013 schools began to receive funding from the government to enhance and promote sports within our school. The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils.

The funding we have received:-

2013/14 - £9730

2014/15 - £9775

2015/16 - £9785

2016/17 - £9785

## How we have used the funding and the impact it has had

Objective	Actions	Impact	Lessons learned (and whether you will continue with this approach)	Cost
To provide training and purchase new equipment to allow staff to teach PE and sport more effectively.	- PE resources purchased and staff trained on the use.	- PE sessions are taught more effectively because of the varied range of equipment and teacher skills.	-consider budget for replacement of this new equipment in future years	<u>£1215</u>
To give the children access to after school club sports coaches.	- Organise for coaches to come into school each half term to teach a different sport.	-Children have access to a wider range of sport. -Children have the opportunity to attend a club with a sports coach free of charge.	- Participation in after schools clubs is high. This will be continued next year.	<u>£5050</u>
To provide resources for the new after school sports clubs.	-resources for the new after school sports clubs	-After school sports clubs are effective due to quality and range of resources provided	-Consider training of school staff to deliver after school sports clubs in the future.	<u>£1000</u>

This academic year there are currently 163 children in our school taking part in extra-curricular activities outside of teaching time, 56 of which attend clubs that promote health including sport, dance and healthy eating. We have regular meetings with management to ensure that the clubs are fulfilling their potential and have enough attendees. We also welcome feedback from the children at St Peter's to inform us about what clubs we may want to offer in the future. We will continue to bring new ideas of keeping fit into St Peter's to ensure that children remain motivated

and interested in keeping fit. Here are some comments from the children about PE and sport at St Peter's "I like the way everyone tries their best no matter what PE session we are doing." "I like learning new skills and using teamwork." "Lacrosse is a new sport to all of us, so everything our coach teaches us is new. Whether it's the 3 (step, squat, scoop) or cradling."				
To attend tournament and provide transport for the children to and from events.	-Keep up to date with any sporting events organised by school sports partnership. - Sign up to as many events as possible. -Ensure the transport to and from events is booked in advance.	- Providing transport ensures a high number of pupils attend sporting events. -Ensures we have the opportunity to travel to events which are further away from school. - Children arrive at events on time. -Children are accompanied by staff to and from events.	- Participation in attending tournament and competitions is high. This will be continued next year.	<b><u>£1320</u></b>
To organise and run Bikeability sessions for children in years 5 and 6.	-Work with class teachers to book Bikeability sessions.	-Children to have the experience of riding bikes and complete the Bikeability program.		<b><u>£300</u></b>
To purchase a few bikes to allow children who do not own a bike to access the above Bikeability training.	-purchase bikes	-more children accessing the Bikeability training.		<b><u>£900</u></b>

### Current Performance outcomes

Age Group	Number of children working at expected level or above in 2013/14	Number of children working at expected level or above in 2014/15	Number of children working at expected level or above in 2015/16
Foundation stage	52%	72%	70.5%
Key stage 1	85%	91%	92.5%
Key stage 2	87%	86%	86%

## How we intend to spent the academic year 2016/17 budget

Objective	Actions	Success Criteria	Cost
To provide training and purchase new equipment to allow staff to teach PE and sport more effectively.	- PE resources purchased and staff trained on the use.	- PE sessions are taught more effectively because of the varied range of equipment and teacher skills.	<u>£435</u>
To service our set of bikes to ensure they run safely.	-To ensure that all bikes are safe to use by organising for them to be serviced by an outside company.	-The bikes remain in use during school sessions by pupils.	<u>£500</u>
To give the children access to after school club sports coaches.	- Organise for coaches to come into school each half term to teach a different sport.	-Children have access to a wider range of sport. -Children have the opportunity to attend a club with a sports coach free of charge.	<u>£5050</u>
To purchase new equipment that the children can use after participating in a club.	-Regular discuss with the after school clubs coordinator to ensure that a range of sports are taking place after school. -Order any equipment needed to keep the sport going e.g. lacrosse equipment.	-Children are introduced to new sports/activities. - To ensure that the sport taught in the after school club remains active once the club has finished.	<u>£500</u>
Inset training for staff members.	-Organise outside agencies to come in to deliver inset training for staff.	-Teachers to be confident delivering P.E sessions.	<u>£1000</u>
To provide transport to and from sporting events and covering the cost of attending them.	-Keep up to date with any sporting events organised by school sports partnership. - Sign up to as many events as possible. -Ensure the transport to and from events is booked in advance.	- Providing transport ensures a high number of pupils attend sporting events. -Ensures we have the opportunity to travel to events which are further away from school. - Children arrive at events on time. -Children are accompanied by staff to and from events.	<u>£600</u>

To organise and run Bikeability sessions for children in years 5 and 6.	-Work with class teachers to book Bikeability sessions.	-Children to have the experience of riding bikes and complete the Bikeability program.	<b><u>£300</u></b>
To purchase new sportswear for the children to wear during sporting events.	-Design a sports kit which reflects the schools logo. -Ensure that the sports kit can be used in a range of sporting events. -Ensure the sports kit is designed for all weathers.	-Children to look smart and represent the school positively when at sporting events. -Children to remain as warm and dry as possible when attending outdoor events.	<b><u>£500</u></b>
To purchase a few more additional bikes to allow children who do not own a bike to access the above Bikeability training.	-purchase bikes	-more children accessing the Bikeability training.	<b><u>£900</u></b>
