Welcome back to our new term and our improved school.

Over the last few weeks there has been some building work going on.

We have had fantastic changes in the school hall.

We now have room for performances to take place on our new stage, you may have also noticed our new and improved floors. There are rooms built behind the stage for pupils to concentrate and

learn in a quiet environment.

As you may have realised we have had our car park extended (with an electric gate!) for the staff and visitors. We are currently having the whole of the school roof replaced EYFS and year 1 and 2 phase is now completed. You must have seen the scaffolding around the school.

We are looking forward to our Christmas production 'Bethlehem

– The Musical, that we will be performing on our new stage! We have been practicing hard. Some people have different parts based on how well their audition went. The whole school have been practicing and we have really enjoyed it. We can't wait to perform in front of everyone on the stage!

# BBC Children in Need

The BBC Children in Need appeal night takes place every year in November to help raise money, for disadvantaged children and young children in the UK. On Friday 17th November 2017, we raised **£552.40**. There were 'Pudsey Bear' biscuits on sale and they were sold by the school council. The school council went to every class and sold biscuits for 20p and they tasted really scrumptious. We also had a non-uniform day for only £1. Well Done Everyone!
