Star of the week

Star of the week-Armaan

For his fantastic phonics work and being able to read tricky words.

Please let your child complete their homework in their green books and help them complete their homework on the website.

Thank you for your support.

Miss Marney, Mrs Dawson and Miss Yasmin.

This week in Reception we have been looking at books about seeds. The children wrote about their favourite part from the story 'Jasper's Beanstalk'. The children then planted their own seeds. We will be keeping an eye on them over the next few weeks to make sure they grow into peas. The children had to sequence how they planted the seed. This week we also used the Beebot in our ICT session and directed it around a mat. In Maths we have been learning about heavy and light. We used a set of scales to weigh different items. This week we celebrated book day. The children made a fantastic effort and we had a great day. Check our class page on the school website for photos of the children.

Next week we will be looking at stories in Literacy about tadpoles such as 'Tadpole's Promise'. The children will be writing speech bubbles for each of the characters from the story. We will then be learning about the life cycle of a tadpole to a frog. The children will also be writing a diary about what they have been doing over the weekend too.
