Star of the week

Star of the week- Harley

For his fantastic Maths work using money and making amounts with the pennies.

Just a reminder: we finish school next Thursday for the Easter holidays. School re opens on Monday 20th April 2015.

Thank you for your support.

Miss Marney, Mrs Dawson and Miss Yasmin.

This week we had some very special visitors arrive in Foundation Stage. 12 chick eggs arrived! The children have been watching them very carefully and have been able to see them hatch over the last few days into chicks. At the moment 6 are boys and 5 are girls with one still waiting to hatch. The children will have the chance to feed, water and change the chick's box next week and even hold them. We have been doing lots of writing about them and learning about how they grow up. We have lot of exciting things planned for next week! In Maths we have been reading the story, 'The big pet sale'. The children have been making amounts of money with pennies and pounds.

Next week will be our Easter Bonnet parade, on Thursday 2nd April at 9am. The children will need to make an Easter hat or bonnet to wear on that day in a parade and parents are invited to come and watch. Please help your child to make an Easter hat, bonnet or mask. It would be lovely to see everyone joining in. On Monday we will be walking to church for an Easter celebration. We will also be making Easter crafts such as cards and chick nests.
