## Our Amazing New Library

Our new library is absolutely exquisite! We have scanners to scan the books in and out so we can take books home! New features to our library, as well as being decorated, are the kindles, we can read, play games or watch videos on them.

All the books have been labelled so its easy to find where they should go. Sections for different year groups are clearly marked, including different book sections in both fiction and non-fiction.

Year 6 Librarians are in charge of sorting all the returned books out and keeping the library as tidy as they can along with the help of some of our Teaching Assistants.

The Library is colourful and bright and very calming to sit and read a book quietly.

## An Interview with Mr. Wood

Mr. Wood is our new Assistant Head Teacher and is currently teaching year 5. Mr. Wood joined us on 5th January and has been really busy ever since!

We asked Mr. Wood lots of different questions to find out a little more about him.

So here we go:-

**What trip did you go on at your old School?**

We went to Robin Wood with year 6 and Formby Beach.

**Do you like your new job?**

Yes I do, it has given me lots of challenges!

**Which year groups do you like to teach?**

## **BOOK FAIR 2016 and World Book Day.**

We all enjoyed visiting the Book Fair in school. There were lots of new books to choose from for all ages. A few children were surprised by their parents who had been and bought them their favourite book!

Everyone brought in their own book from home to share with the rest of their class. During the day children also had lots of fun activities to do.

At the end of the week we all had to dress up as our favourite book characters. Teachers and children all enjoyed doing this. Even Mr. Whelan dressed up as an Umpa lumpa from Charlie and the Chocolate Factory. His face was very orange!

## **E Safety - Be SAFE!!!**

Keeping safe while using the computer and the internet.

When people are on the internet they talk to random people without noticing. It can be someone who isn't very nice and they may abuse this by sending pictures or mean messages to you.

A few tips to keep you safe -

- **Flag it** — means tell someone older about the situation so they can help.
- **Block it** — means block the message or picture.
- **Zip it** — means ignore the person who sends you mean messages or pictures.

## **Easter**

Easter is a time of celebration. We celebrate it because Jesus died on the cross and rose again. He died on the cross as a symbol for us to forgive our sins and help us be better people.

Easter is also about new beginnings and new life. We hope you have all seen our very cute chickens which were hatched in school. This represents new life.

We will be on holiday for 2 weeks and hopefully all of us will be getting lots of Easter eggs.

# Eggtastic Eggshibition!

These are some of the Eggcellent eggs which we have created!

## KS2 Easter Celebration.

We decorated eggs in lots of different ways.

They were amazing, as you can see from some of the pictures. We also sang 'Spring Chicken' - it was hilarious! Three people got cream eggs for doing the best chicken impressions.

All participants got cream eggs at the end.

## KS1 Easter Bonnet Parade.

KS1 and Early Years made their own Easter Bonnets for a special Easter Bonnet Parade.

They sang lots of different Easter songs and had lots of fun looking at the different bonnets.

Lots of Easter activities took place including making Easter cards to take home.

Happy Easter from all of us!
