

Our Home Learning In Nursery

This week we had different tasks to complete. Let's take a look and share what we have all been doing.

This week our 'Understanding the World' task was to take photos using a form of technology.

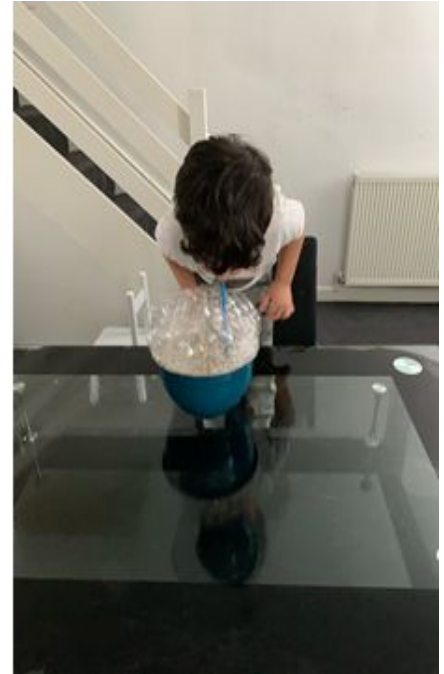

Our 'Expressive Arts and Design' task this week was to make a train.

In RE this term we are looking at stories that Jesus heard when he was a small boy. This week I asked you to find an unusual place to read a story.

Here are Taha and Abdullah complete the sensory activity and being active outside!

Well done Nursery you are all amazing!
